

OCA 87-0404
9 February 1987

NOTE, FOR: Acting Director

FROM: Dave Gries

STAT

SUBJECT: Your view of the future according to John Ranelagh

This is Ranelagh's version of the speech you gave on future challenges to intelligence. Since you will be talking about the future and perhaps some Members may have read Ranelagh's book, I believe it would be worth glancing through this before the confirmation hearing.
